## Editorial Policy

During the review process, the Editorial Board conforms to the “Uniform Requirements for Manuscripts Submitted to Biomedical Journals: Writing and Editing for Biomedical Publication” approved by the International Committee of Medical Journal Editors (<http://www.icmje.org/>). Journal accepts only original papers and all kinds of reviews (narrative review, systematic review, systematic review and meta-analysis, etc.). Experimental studies must include a statement that the experimental protocol and informed consent procedure were in compliance with the Helsinki Convention and were approved by an ethics committee.

*Dental and Medical Problems* has received financial support from the resources of the Ministry of Science and Higher Education within the “Social Responsibility of Science – Support for Academic Publishing” project based on agreement No. RCN/SP/0493/2021.
